

Information about the procedure, process, term and exam for transferring studies to TDIU. If relevant, link to other resources (for example, if related to STC, link to STC page relevant to the question)

I. The procedure for transferring studies from abroad and non-state universities:

- ❖ Admission processes for "Study transfer" through the website of the Knowledge and Skills Assessment Agency under the Ministry of Higher Education, Science and Innovation of the Republic of Uzbekistan <https://my.uzbmb.uz/> (autumn semester) from July 15 to 5 will be carried out until August (also on this day).
- ❖ Transfer of studies from abroad and non-state universities is carried out through the above site and the following documents are uploaded to the site:

—Passport

—Transcript (rating book or academic reference)

- ❖ When transferring studies from abroad and from non-state universities, it is necessary to choose a field that is compatible with the field of study, otherwise the application will be rejected.

- ❖ If he wants to study in a field unrelated to his field of study from branches of foreign higher education institutions and non-state universities located in Uzbekistan, he can transfer his studies by making a one-time differentiated contract payment.

➤ If your application is filled out correctly, the status will be "accepted" by regional working groups and a payment receipt will be created in your personal cabinet. After that, you can pay via CLICK, PAYME or other applications.

- ❖ The amount of mandatory payment for participation in the tests is 165 thousand soums. If the payment amount is not made on time, the permission to participate in the test process will not be formed.
- ❖ From July 15 to August 5, applications will be considered by the state commission;
- ❖ For the received applications, tests will be organized by the center of the interactive service portal "Virtual Center" of the Knowledge and Skills Assessment Agency (from August 10 to August 25);
- ❖ Between September 5-20, the Ministry will submit the test results to the Higher Education Institution (TDIU).
- ❖ Based on the results, applications for admission to the name of the rector (according to the student's consent) are accepted and he submits an application for a contract from <https://kontrakt.edu.uz/>;
- ❖ Based on the subjects mastered by the student at the higher education institution, the student's course is determined;

- ❖ The student is given a copy of the request letter (in order to get the original documents from the previous HEI), the original of the questionnaire is sent by the HEI that accepted the application to the HEI where the student studied;
- ❖ The applicant is allowed to participate in classes for a period of time until he submits the original of the summary file of his documents and fulfills the terms of the payment contract;
- ❖ Students who have submitted the original documents and fulfilled the terms of the payment contract within the specified periods will be admitted to the ranks of university students.

Basis for transferring studies from abroad and non-state universities.		
Presidential legislations	Relevant legislations of the Cabinet of Ministers	Fiat of the Minister of Higher Education, Science and Innovation
